COMMENTS: W.K. Fontenot request a waiver and states the following: The reports were due at the time that he was most severely mentally disoriented from mid-January 2020 to early December 2020. He resigned his position as St. Landry Parish President in August 2020 due to his debilitating disease. His wife unfamiliar with ethics reporting did not take any related action until made aware by a call from the St. Landry Parish office that reports were due. She then called the ethics department where she explained the situation and was walked through the filings by the very gracious helpful staff. The filings were non-problematic but late. Fine was paid and he is requesting a refund.
